DESCRIPTION

Dolphin 54' Fly is the solution – as comfortable as it is practical –for all yacht enthusiasts who like to cruise in the open air but enjoy further, cosy relaxation areas. The flybridge houses a large sun pad to port of the access hatch, while a large C-shaped couch towards the bow allows you to cruise in comfort. Indeed, the flybridge helm station is found to starboard towards the bow and is equipped with all instrumentation necessary to command your Dolphin 54' from a privileged position, in direct contact with the sea.
