The interiors are characterized by a fluid boho-luxe style and elegant use of curved lines, luxurious fabrics and organic shapes in muted tones. The luxury beach house-style grace of superyacht interiors is now homogenous with the ocean. Touches of artisans warps and wefts echo throughout the furniture and soft furnishings. Plants and shells are scattered around all three decks, reinforcing the yacht's intrinsic relationship with the natural elements. MIMI LA SARDINE is an interior design lover's haven.
